## Photo Scavenger Hunt

Version 1

**To play**, choose one version of the photo scavenger hunt and work on it as a group or choose two versions and compete to see who can solve the most clues.

The following clues are written as if the sculpture (or part of the sculpture) is talking.

When you find the artwork you think is being described, **take a photo** of at least one member of your group next to the artwork.

*Please note that you need to be thinking about all the clues as you walk the trail – the sculptures hinted at in the clues below may not appear in order as you hike the trail!*
